

Project Overview

As of May 6, 2013

Lazelle Road Improvements

Description and Benefits:

Improvements will be made to Lazelle Road between Flint Road and Sancus Boulevard. Improvements include roadway widening from two to five lanes, roundabout construction at Old State Road, sidewalks, shared-use paths, curbs and gutters, and the reconstruction of the two railroad bridges over Lazelle Road.

Schedule:

Design is scheduled for completion in October 2014. Right-of-way acquisition will start in June 2014 and end in June 2016. Construction will take place from late 2016 to spring 2019.

Status:

In design.

Costs:

Construction \$17 million (estimate)

Contact Information:

Project Manager for design: Richard Ortman, P.E., tel. (614) 645-5465

Designer: Gannett Fleming Engineers and Architects

Construction Contractor: TBD.
